Batch Printing Statutes

From the Outline View, click on the main group of statutes you want to print. Below in the Outline View for the Illinois Compiled Statutes, we selected 4 Human Needs, then clicked the plus sign to the left of the title to see it see the chapters contained in it. We then clicked on the title name – not the plus sign – Chapter 325 Children, to bring up the different sections within the chapter on the right hand side.

To add any of the sections to your print queue, just click the printer icon to the left of the individual statute. When the section has been added, the plus sign on the icon will turn into a minus sign. You can add up to 50 total documents to your print queue at a time.

To print the statutes, go back to the black menu bar and select Print, then View Print Queue. All of the individual statutes from the section you added will be in your queue.
